

Benefits Overview

Enroll. Plan. Save.

ENROLLMENT PERKS

The online ConVerdia BenefitsHub perk program gives you access to discounts on entertainment, beauty & spa, tickets, travel, electronics, restaurants, apparel & much more!

Through our Medical insurance provider, members are able to earn Health Club Credits through their wellness program.

Enrollment is easy & right at your fingertips. We have an app for that! You will be able to view all the coverage details & view in real time what your premiums will cost during the enrollment process.

WHY ENROLL?

For full-time employees, health insurance coverage begins on the 1st of the month following your start date so you do not have to wait to take advantage of our perks!

MEDICAL COVERAGE

Converdia provides a comprehensive medical plan for single employees, featuring competitive prescription drug copays and coinsurance rates.

DENTAL COVERAGE

Converdia contributes 50% toward single employee dental plan. This plan gives you the freedom to choose your provider. To maximize lower out of pocket expenses choose an in-network provider.

SUPPLEMENTAL VISION COVERAGE

Supplemental Vision is available for enrollment at low premium costs to employees.

401(k)

Converdia Health Staffing and Converdia Health Staffing – Therapies each offer a company-sponsored 401(k) retirement plan to eligible employees. Eligibility requirements are the same for both plans; however, enrollment timing and employer matching contributions may vary by company. One plan is subject to applicable provisions of the SECURE 2.0 Act. See the applicable Summary Plan Description (SPD) for full details

HSA

Health Savings Account (HSA) is also available to those enrolled in our medical plan! Eligibility for employees to contribute to HSA Bank begins 1st of the month following the start date.
